ABOUT THIS VARIETY

We are a proud grower of the increasingly rare and treasured Blenheim Apricot. Listed in Slow Food USA's Ark of Taste catalog, these apricots strike a perfect balance between sweet and tangy, are juicy and smell honey-sweet. This delicate fruit is picked firm and allowed to fully ripen off the tree for safe transport.

GROWER. PACKER. SHIPPER.

At Capay Organic, we grow and deliver great-tasting, high-quality organic produce to the marketplace year-round. As stewards of the land, we are steadfast in our commitment to environmental sustainability and social accountability.
