# Candystripe & Mission Figs

## RETAIL PINTS

**12/1PT ReadyCycle® CONTAINER**

## OUR VARIETIES

### CANDYSTRIPE

Considered to be one of the best tasting of all varieties, Candystripe figs are light yellow and green-striped with a crimson-colored seeded pulp. They are light and sweet with a flavor similar to that of strawberry or raspberry jam.

### MISSION

Perhaps the most recognizable variety, Mission figs have a purplish-black skin with a red flesh. They are known for being sweet, full-flavored and moist with a chewy texture.

### GROWER. PACKER. SHIPPER.

At Capay Organic, we grow and deliver great-tasting, high-quality organic produce to the marketplace year-round. As stewards of the land, we are steadfast in our commitment to environmental sustainability and social accountability.
